

# DO YOU HAVE A CONCERN? We are here for you.

Washington Regional is committed to providing the highest level of patient care services.

All employees, physicians, and patients/families have the right, without recrimination, to voice their concerns or complaints.

We hope that you would first contact a hospital manager or Washington Regional Executive Office at 479-463-5003.

You may also contact the Joint Commission Office of Quality Monitoring at 1-800-994-6610 or [complaint@jointcommission.org](mailto:complaint@jointcommission.org) or the

Arkansas Department of Health at 1-501-661-2201.
